Introducing the UrbanShade™ System

12% discount

Through June 30, 2010, MechoShade Systems is offering a 12% discount on all UrbanShade™ System components when using the Online Order-Entry System.

UrbanShade™ hand sample

The revolutionary manual shade

Competitively priced
The economical system outweighs leading competitive products' quality, functionality, and cost.

Multiple configurations
The flexible system offers manual or motorized operation in a standard assembly or prefabricated cassette.

Easy on-site installation
A durable bracket that can be easily reconfigured on-site to suit a wall, ceiling, or jamb mount.

Sleek, refined design
The unobtrusive profile is elegantly camouflaged within a room's interior and maintains minimal light leaks.

Now available

UrbanShade™ brochure

The UrbanShade™ brochure outlines:

- Key features and attributes of the system
- Detailed drawings of the manual and motorized components
- Fascia and specification information

Hand Samples
A compact hand sample, like the example above, is the best way to demonstrate the power, aesthetics, and agility of the UrbanShade™ System. To receive a hand sample, contact your local MechoShade Systems sales representative.

For a PDF of the UrbanShade™ literature, click here.

For hard copies of the UrbanShade™ brochure, send an e-mail clearly stating your request to: samples@mechoshade.com
